

Rettungsdatenblätter für Rettungskräfte

Hinweis:

Diese Rettungsdatenblätter wurden ausschließlich für Rettungskräfte erstellt, die über eine spezielle Ausbildung auf dem Gebiet der technischen Hilfeleistung nach Verkehrsunfällen und der damit verbundenen Tätigkeiten verfügen. Ferner enthalten die Rettungsdatenblätter ausschließlich Informationen über Fahrzeuge, die zum Verkauf in Deutschland bestimmt sind.

Spezifikationen und Sonderausstattungen der Hyundai Fahrzeuge sowie das Fahrzeugangebot unterliegen stetig etwaigen Änderungen. Daher behält sich Hyundai inhaltliche Anpassungen bzw. Änderungen an den Rettungsdatenblättern jederzeit ausdrücklich vor.

Die in diesem Leitfaden enthaltenen Informationen sind nicht für Endkunden und ebenfalls nicht für Werkstätten und Händler bestimmt. Endkunden können den Bordbüchern ihres jeweiligen Fahrzeuges detaillierte Informationen zu den Funktionen ihres Fahrzeuges sowie wichtige Sicherheitshinweise zur Fahrzeug- und Insassensicherheit entnehmen. Werkstätten und Händler erhalten Reparaturinformationen über die ihnen bekannten Bezugsquellen.
